

Journée AFICTIC - Automne 2026

VENDREDI 20 NOVEMBRE 2026

CTC - 4 RUE HERMANN FRENKEL, 69007 LYON

- | | | |
|---------|---|------|
| 8 : 45 | Welcome coffee | |
| 9 : 20 | Opening speech | |
| 9 : 30 | LAMIRSA - Josep MATES & Jose Antonio CASTILLO | (EN) |
| | « Micro Encapsulated TCMTB, innovative and safer leather biocide préservative » | |
| 10 : 15 | PROJET EUROPEEN METASKILLS4TCLF - Agnès THOMASSET | (FR) |
| | « Démonstration en réalité virtuelle des contenus pédagogiques du projet Metaskills4TCLF »
<i>The European project MetaSkills4TCLF is developing innovative training approaches for the fashion industries. Through a virtual reality headset demonstration, participants will be able to discover educational content and take virtual tours of companies across the sector.</i> | |
| 10 : 45 | WEGA - Roberto MASTROTTO | (EN) |
| | « Traceability and AI: Beyond Leather Measurement »
<i>AI is expanding the possibilities of leather inspection beyond traditional surface measurement, enabling automatic defect recognition and detailed digital mapping of each hide. Combined with hide-by-hide traceability, these technologies transform quality data into actionable information to improve process control, optimize production parameters, increase cutting yield, and reduce waste.</i> | |
| 11 : 30 | Ataway - Stephane BREDEAU | (FR) |
| | « CO ₂ supercritique : le tannage change de peau » | |
| 12 : 15 | Lunch break | |
| 14 : 00 | CTC - Prix AFICTIC 2026 - Florine LEITE | (FR) |
| | « Détermination du point isoélectrique d'un cuir tanné au silicium » | |
| 14 : 30 | PULCRA CHEMICALS - Francina IZQUIERDO | (EN) |
| | « Advanced protective solutions for enhanced leather durability and Cr (VI) compliance »
<i>Optimized antioxidant technologies, including advanced emulsification and delivery systems, help prevent Cr (VI) formation in chrome-tanned leather, thereby enhancing durability, sustainability, and long-term value preservation.</i> | |
| 15 : 30 | WWF - Fernando BELLESE | (EN) |
| | « The Global Traceability Framework for Beef and Leather » | |
| 16 : 15 | Closing session | |
